Meeting minutes from Feb Meeting approved

Motion made and accepted for CST Constitution and Rules being read tonight be re-worded and put into one proposed change. Included in the motion was to be able to take those changes to the next general membership meeting and vote yes or no.

\***President-Brett:** Brett was unable to be at the meeting tonight due to work conflicts. He sent his regards to the club, and encouraged any member to give him a call if they had any questions regarding tonight's meeting.

\***Vice President: Michelle-** She was unable to attend tonight. Her report was read by Anita: Michelle wants to welcome the new people who have joined us tonight. She apologizes for not being able to attend. During tonight's meeting the 'rules committee' will present their suggestions for rule changes and these will be voted on during April's meeting and she hopes that the meeting will run smoothly. This weekend Michelle held a 'Fun Day' for CST members and an open English clinic. The turnout was low, but everyone had a blast. Michelle did receive phone calls from people on Saturday evening who were disappointed to have missed the events as they had only received their newsletter that day. Other had also said that they would have attended but the Horse Expo was going on in Denver.

\***Secretary-Anita:** Have an update membership for the current year available. Anyone who would like to have a copy emailed to them can let me know. Requested information for the Newsletter to be given to me by the end of the meeting. Please let me know if anyone is having problems getting the newsletter or having trouble with the application.
