From the 2007 Horse Show and Gymkhana Chairperson:

I would like to thank a few people for all their in making it a successful year in 2007. First Kelly Evans. You made everything so easy for me. You always had a canopy set up and the tables out there for me. That was always a nice thing to see when I would arrive in the morning. Then you would clean everything up when the weekend was over. You were the help that was not seen much, but was much appreciated. Thank You!!

Rob Benning. You ran so many errands for me that I can't even remember. You helped with everything. Thank you so much!!

Steph Skutt. What can I say? You helped my daughter when I was busy. You ran the show so I could run in the Gymkhanas. You were there with me almost every minute. I could not have done it without you. You helped set up for gymkhanas, even when you shouldn't have been. Thank you for everything you did.

Brandon and Brian Hochalter. You guys were great. You were always there to help with anything. Thank you.

The Rieslands for running the gate almost all day at every show. That is such a HUGE help. Thank you.

Tammy Maas. I think you helped set up for every event every time you were there. That is the hard part of Gymkhanas. Thank you.

Last but not least, BillieJean. I am so sorry for everything you had to sacrifice this year. I am sorry I couldn't be there to help you when you needed it. Thank you for staying up late with me the night before a show to help me make sure everything was in order. Sorry we couldn't groom your horse the way you would have wanted because I was too busy with the shows. Thank you for helping me set up. Staying there with me to make sure I didn't need you. Being ring steward when there was no one else. Running ribbons to every body. You ran back and forth to the truck so many times. Thank you for helping me put everything up. Helping me with all the paperwork at home. And NEVER complaining. You did so much that no one ever saw. But I did. Thank you!! You didn't help me because you are my daughter and that is the thing the daughter of the chairperson should do. You helped me because you wanted it to be a great year for everyone. And I believe if everyone knew everything you did this year they would all thank you because if you hadn't been there with me every minute I could not have done it. Thank you so much Baby Girl I love you!

I know there are so many people that helped me. It is hard to mention everyone. I took on more than I could handle but with every ones help we pulled it off and we were successful. Thank you everyone.
