### **Arena Etiquette and Safety**

#### **Etiquette:**

1. Left Shoulder to Left Shoulder. Riders should try and ride in the same direction.
2. Slow on the inside, Fast on the outside
3. Announce your intentions: Tell the other riders what you plan to do (exception is when showing)
4. No Lunging while riding
5. Mount out of the way
6. Work Together: Users should be doing similar things, if at all possible. Be generous with right of way
7. Cue Quietly: Voice commands, kissing, smooching to cue your horse should be done quietly and away from other horses. Accidentally cueing another person's horse as you ride along side of them can cause problems
8. Clean UP: Clean up the arena after use. Clear out manure, put away jumps, poles, pylons. Leave it the way you found it or better.
9. Try not to interrupt lessons.
10. Follow posted rules.

#### **Safety:**

1. Keep a horse length between: Don't crowd other riders and keep at least a horse length between you and horse in front or beside you. Keeps you at a safe distance from being kicked or your horse bitten
2. No Smoking with in the arena; can be a fire hazard
3. All Horses under control: There should be no loose horses
4. In case of emergency: know where the closest phone is and the first aid kit is located
5. Don't allow escapes: keep all doors or gates closed.
6. Be aware: If another rider is having trouble with a horse, is riding a young horse, or is a beginner or timid rider.
7. Give Right of Way: Be generous of the right of way even if it is technically not the correct way.
8. Don't ride alone: (especially if jumping)
9. Don't get caught in the dark: Be aware in stormy weather
10. Always ride safe: Wear a helmet and proper boots and ride in control
11. Keep the Dogs on a Leash
12. In an Emergency get off.
13. Adhere to CST Rules
