Shelby has won her District Speech contest and will be moving on to the next stage this month. Shelby did her speech at the general membership meeting and it was a great job!!! Good luck Shelby! Cianna is finished with Basketball and she is doing the drama club at her school. She has decided that the PAWS testing is not very fun!

Cheyenne Therapeutic Equestrian Center is now open! We are taking application for the classes starting in June. We are also starting our Heroes on Horses program with the VA. CTEC is always looking for Tack donations and horse donations. CTEC is in need of old used boots for the riders to use if they can't afford boots. We keep them at the center and they can use them when they come ride! Volunteers are always welcome!! If you are interested in helping to sponsor a rider for a scholarship give us a call! You can provide a 6 week scholarship for \$150.00. We appreciate anything the community does!!! Spread the word and give us a call for applications! Come on out and see what we have planned or visit our website at www.ctecriding.org.

Cheyenne Saddle Tramps Meeting Minutes from February , 2009-Held at LCCC Ag Room 118

Meeting called to order at 7:03pm

Minutes reviewed from January meeting. Minutes approved by members.

Royalty Report: Ton's of New Stuff!!! Very excited to show off new stuff that has been donated! Cianna has been doing basketball. Shelby has won her Chapter FFA Speech contest and went on to win the district and will represent the district at the State FFA contest in Evanston next month. Her speech was on "Horse Show Ethics"

Grounds/Building: Cost of \$1950.00 to bring the building back to code, Discussion about what needs to be a priority to the club. Motion made and second to have board discuss and halt rentals. Tabled until after the rules and constitution meeting.

Horse Show/Gymkhana Dates: Discussion/vote on Dates: Approved dates: April 18, 2008 Easterwood with rain date of April 25, 2008, May 2-3, June 13-14, June 27-28, August 15-16, August 29-30, Sep 12-13, Rain Dates of Sep 19-20, Sep 26-27. Times will be announced later.

Drill: Walk through at the Library Sunflower room 3rd floor at Library March 7, 2009, April 4, 2009. Anyone interested call Barb. She has fun and great new plans for drill this year!

Jody Osban: 3D Barrels- I would like to run a 3D barrel series this year on the Sunday afternoons when we don't have a Gymkhana, County Fair or Frontier Days. It would consist of at least 6 events. And I would set my dates once the horse show and Gymkhana dates are set. If we had enough turn out we could do a buckle series. However we can't advertise as a buckle series because we don't know for sure. I would also like to include pole bending. I would have the three age divisions for barrels that are posted in the rules and one division for poles. To make things easy I would charge a flat fee of \$15 for each division with 80% going into the jackpot. I would also have exhibitions at \$5 each and CST would keep that along with the \$3 dollars from each entry. In the past we were able to make a \$1200 profit in 6 weeks and only award 4 buckles. We would do this twice a year. This year would be a longer series and we could award up to 12 buckles. I would award the buckles at the banquet. 3D barrels would be the only event where a CST membership is not required nor an advantage. The entry form includes a release that has to be signed to enter. This is a way to get competitive people out to our arena and encourage them to join. Maybe the profit from this can go into a fund for arena lights. As you know, I believe there is no reason there is not something going on at that arena EVERY weekend.

Anita LaFond: Membership applications are due! Cannot vote on Rules and Constitution without being a member. WPHC: Their annual Show date is scheduled for August 8th. They would like to hold an open classes for CST Members. The classes would cost \$5.00 with classes to be announced. WPHC would like to run a paint series at CST this year with the gymkhana classes adding the keyhole and flag race. When the dates are set I will apply for PAC Credits for CST series and the August date.

Jay Ostby: Web site report: The domain name for the CST website has been registered with ICANN (Internet Corporation for Assigned Names and Numbers) through Network Solutions for an additional 5 years. If no objection, I would like to bring on a classified section on the website. Brief rules are: members may sell "horse" related items (tack, horses, pickups, trailers, etc but no dogs, rabbits, lawn mowers, home sales parties, etc) Provide a specified amount of time to have the add posted 30 days, 15 days, 45 days??? I would not recommend publishing for more than 45 days. We can have no businesses paying us for advertisements or paid advertisements. As another item, members only can submit a classified add, maybe sending this through Anita to verify membership??? Pictures are recommend to be published as a pdf link to keep size of files down. Additional thoughts, or comments are welcome! And also if this is not wanted, I understand. Motion made and second for Jay to set up new portions of website.

Treasurer: Treasurer report handed out to the members at the meeting
