## **BOARD NOTES:**

A huge **THANK YOU** to **The Align Team**, a local company whose employees (see picture) spent four hours on June 22nd volunteering at the CST grounds. We were able to tear out the old roping chute to make way for a new arena gate so that we will have an in and out gate to use during gymkhanas. A big thank you to all the CST members who also came out and helped that day!

There will be **PARADE CLINIICS** every Thursday during July until Frontier Days begins. You **MUST** attend a CST-sponsored parade clinic, with the horse you intend to ride in the parades, to ride in a parade. The clinics will be from 5:30—7:00 PM at the CST grounds (in the trail arena). There is also a parade clinic, in conjunction with 4H, on July 5th from 6-7:30 PM at 8512 Ridge Road. If you have any questions, please contact Emilee Fecht, Parade Chair, or Heidi King, Secretary.

**Please use caution** at the CST grounds while we rebuild the area around the old roping chute. There is more work to be done, but we hope to have the new gate in place before the July 10th gymkhana!

## Grounds Report

There are two work days planned for July:

### July 7th, 6-8 PM:

We will be mowing, weed-eating and getting ready for the weekend show and gymkhana. Please bring your mowers!

### July 21st, 6-8 PM:

We will be getting the stalls painted for Frontier Days and mowing/weed-eating around them. Please bring white exterior paint, paint brushes, and mowers.

**If you can't make these nights, feel free to head on out whenever it's convenient and mow, weed-eat, or paint wherever it looks like it needs it!**

A big **THANK YOU** to **Mike Williamson and John Pippinger** for all the mowing they did prior to the last show/gymkhana. The grounds look awesome! Also thank you to **John and Christian Schofield** for all the work they have done repairing the stalls to get ready for Frontier Days. You guys ROCK!

Contact Heidi King, 220-0597, if you have any questions regarding either of these dates.
