These dangers include but are not limited to injuries resulting from the behavior of my horse or other horses on the grounds; movement of vehicles, animals, or people; uneven or unprepared footing; natural conditions, including but not limited to accumulations of ice, snow, mud and water; and, natural and man-made distractions that may "spook" an animal. Injuries can include loss of property, serious physical injury and death. The Wyoming Recreational Safety Act (WY Stat. I agree that any horse/mule/equine I bring to Club events will be current on all generally accepted vaccination requirements.

Further, I agree that the Club may use my name and likeness in press releases, publications and other forms of publicity, without compensation.

Though the Club may post rules relating to safety, I understand that the Club is under no obligation to enforce those Rules and that ultimately my use of safety equipment and adherence to safety practices is a matter of personal responsibility. I agree to abide by all safety rules.

This release and hold harmless agreement shall be deemed binding upon myself, my heirs, and successors in interest and assignees. It shall be effective from year to year, until rescinded by me, in writing to the club. I hereby acknowledge by my signature below that I have read, understand, and will comply with all Club rules and the Club Constitution.
